

Fill in the gaps

Those that try anything once	You never ask why
Should we care (1) the only ones?	You never ask why
All the time that I need is (2) quite enough	You're (14) a lie
All the time (3) I (4) is all that's	Baby you're flying too high
necessary	You never ask why
You're living a lie	You (15) ask why
You're (5) a lie	You're (16) a lie
You're (6) too fast	(17) you're flying too high
You (7) pray for the best	Don't get on the phone
You never ask why	Don't (18) for the door
You never ask why	You know the answer (19) you're looking for
You're living a lie	You're living a lie
Baby you're flying too high	You're living a lie
No one (8) about the war	You're living too fast
On my block, or by the shore	You gotta (20) for the best
All (9) in a room	You never ask why
Do you want what I want too?	You (21) ask why
All the (10) in the world	You're living a lie
Is all that's necessary	(22) you're flying too high
You're living a lie	
You're (11) a lie	
You're living too fast	
You (12) for the best
