Teenage Dream by Katy Perry

Fill in the gaps

You (1) I'm pretty
Without any (2) on
You think I'm funny
When I tell the
Punch (3) wrong
I know you get me
So I let my
Walls come down, down
Before you met me
I was alright but things
Were kinda heavy
You (4) me to life
Now every February
You'll be my valentine, valentine
Let's go all
The way tonight
No regrets
Just love
We can dance
Until we die
You and I
We'll be young forever
You (5) me
Feel like (6) living a
Teenage dream
The way you turn me on
I can sleep
Let's run away and

Don't ever look back
