

## I always knew by The Vaccines

Down, down in my bones	So let's go to bed
Somewhere I'd never ever known	Before you say (5)_____ real
(1)_____ at the back of my head	Let's go to bed before you say how you feel
It hit me like a beam of light	(6)_____ it's you
Hit me like a (2)_____ of the right	It's always you
And I could have fell to the floor	I (7)_____ knew, oh, it's you
Because you talk to me	And it's you
And it comes off the wall	It's always you
You talk to me	I always knew, oh, it's you
And it goes over my head	Oh it's you
So let's go to bed	It's always you
Before you say something real	I always knew, oh, it's you
Let's go to bed before you say how you feel	Because it's you
(3)_____ it's you	It's (8)_____ you
It's always you	I (9)_____ knew, oh, it's you
I always knew, oh, it's you	And you, oh I always knew
I try my best to unwind	Yes I always knew
Nothing on my (4)_____ but you	oh, it's you
Oblivious to all that I'll owe	
I'm hanging on to what I don't know
