

Fill in the gaps

Oh, I could (1) you with the truth	But the (19) thing feels like an exercise
About an uneventful youth	I'm (20) to be someone I would rather not be
Or you (2) get that rap from someone else	I'd try to second (21)
And I could make an observation	If you would be approving
If you are the voice of a generation	I find my life (22) so moving
But (3) too self-absorbed to give it clout	Keen wide-eyed and unassuming
And I, I (4) really (5) about	No hope -Ok-
anybody else	There is no hope
When I (6) got my own life figured out	When there's desperately
Because when (7) young and	No hope, when (23) definitely
(8) and 24	No hope, if you don't believe me
And don't know who you are, (9)	Yeah there is no hope
no hope	When there's desperately
And it's hard to come of age	No hope, when there's definitely
I think it's a problem	No hope but if you don't believe me oh
As I never go away	But I, I don't really care about anybody else
And no, I am so self-obsessed I guess	When I haven't got my own life figured out
But there's no hope	Because when you're 24 and (24) and bored
But I hope (10) just a phase	And (25) know who you are nobody's no
Or (11) grow	hope
Oh, I could look for inspiration	And (26) hard to come of age
Find it in the track on an English station	I think it's a problem
But weren't that be cheap and ill-informed?	As I never go away
And I (12) bet you don't (13)	And no, I am so self-obsessed I guess
me	But there's no hope
If I share a cape from deep within me	But I hope (27) just a phase
But I promise you I'm telling you the truth	Or I'll grow
And I, I don't really care about anybody else	There is no hope
When I (14) got my own life figured	I know it's a problem
out	It never goes my way
Because (15) you're 24 and young and bored	I know I am so self-obsessed I guess
And don't know who you are nobody's no hope	But there's no hope
And it's hard to (16) of age	But I hope (28) just a phase
I think it's a problem	Or I'll grow
As I never go away	
And no, I am so self-obsessed I guess	
But there's no hope	
But I hope it's just a phase	
Or (17) grow	
Well I wish (18) I was comfortable in my own skin
