

# Fill in the gaps

## The high road by Three Days Grace

I told you I was hurt	Will you (18) me out
Bleeding on the inside	Or make me take the (19) way around?
I (1) you I was lost	I (20) the low (21) in
In the (2) of my life	I'll take the high road out
There's (3) I stayed alive for you	I'll do whatever it takes
There's times I (4) (5) died for you	To be the (22) you can't (23)
There's (6) it (7) matter at all	without
Will you (8) me find the right way up	Not now I'm not gonna give it away
Or let me (9) the wrong way down?	Not gonna let it go just to wake up someday
(10) you straighten me out	Gone, gone
Or make me take the long way around?	The worst part is looking back (24) that
I (11) the low road in	I was wrong
I'll take the high road out	Help me find the right way up
I'll do whatever it takes	Or let me take the (25) way down
To be the mistake you can't live without	Will you straighten me out
Standing in the dark	Or (26) me take the long way around?
I can see your shadow	I took the low road in
You're the only light	I'll take the high road out
That's breaking through the window	I'll do whatever it (27)
There's times I stayed alive for you	To be the (28) you can't live without
There's (12) I would have (13) for	I'll do whatever it takes
you	To be the mistake you can't live without
There's (14) it didn`t matter at all	
(15) you help me find the (16) way	
dτ	
Or let me take the (17) way down?
