

## 50 ways to say goodbye by Train

| <em>- David Hasselhoff: Hey pal!</em>              |
|--|
| - Hey Ho, how it is going?                         |
| - I'm good man, (1) ain't look so red, do they?    |
| - No, they are not so (2) yet                      |
| - Where is your girlfriend? She is always with you |
| - <em>mm</em>                                      |
| My heart is paralyzed                              |
| My head was oversized                              |
| I'll take the high road like I should              |
| You said it's meant to be                          |
| That it's not you, it's me                         |
| You're leaving now for my own good                 |
| That's cool but if my friends ask where you are    |
| I'm gonna say                                      |
| She went down in an airplane                       |
| Fried getting suntan                               |
| (3) in a cement mixer full of quicksand            |
| Help me, help me, I'm no good at goodbyes          |
| She met a shark under water                        |
| Fell and no one (4) her                            |
| I returned everything I (5) bought her             |
| Help me, help me, I'm all out of lies              |
| And ways to say you died                           |
| My pride still feels the sting                     |
| You were my everything                             |
| Some day I'll find a love like yours               |
| -A love like yours-                                |
| She'll think I'm Superman                          |
| Not Superminivan                                   |
| How could you leave on Yom Kipur?                  |
| That's cool but if my friends ask where you are    |
| I'm (6) say  |
| She was caught in a mudslide                       |
| Eaten by a lion                                    |
| Got run over by a crappy purple Scion              |

Help me, help me, I'm no good at goodbyes
