rused to (1) up every night,
Bad dreams and my chest tight
You tell your friends on the telephone
It's not them what (2) you feel alone
And nothing ever stays the same
Why (3) we worry
about acting our age
I wanna live under my own rules
Do what I want without answering to you
Oh no I wanna kill but I'm young
We were born the same day
(4) been out having fun
Now it don't mean a thing to me or no one
I will live my life (5) my day comes
You sat me down on the kitchen floor
So drunk you wrote on the wall
You took your dress off and looked at me
You can't love what you can't see
And nothing ever stays the same
