When my day comes by Tribes

I used to wake up every night,

Bad dreams and my chest tight

You tell your friends on the telephone

It's not them what make you feel alone

And nothing ever stays the same

Why should we worry

about acting our age

I wanna live under my own rules

Do what I want without answering to you

Oh no I wanna kill but I'm young

We were born the same day

Just been out having fun

Now it don't mean a thing to me or no one

I will live my life when my day comes

You sat me down on the kitchen floor

So drunk you wrote on the wall

You took your dress off and looked at me

You can't love what you can't see

And nothing ever stays the same

Why should we worry

about acting our age

I'll never tell you what to do

It's just bad luck baby following you

Oh no I wanna kill but I'm young

We (1)_____ born the same day

(2)_____ (3)_____ out having fun
