

## Fill in the gaps

I used to wake up (1) night,	It's just bad (17) baby following you
Bad dreams and my (2) tight	Oh no I (18) (19) but I'm young
You (3) (4) friends on the telephone	We were (20) the (21) day
It's not them what make you feel alone	Just been out having fun
And nothing (5) stays the same	Now it don't mean a thing to me or no one
Why (6) we worry	I will live life my life when my day comes
about (7) our age	Oh no I just won't (22) you (23) this
I (8) live under my own rules	You know I (24) can't leave you like this
Do what I (9) without (10)	You know I just won't leave you like this
to you	You know I just can't leave it
Oh no I wanna kill but I'm young	Oh no I wanna (25) but I'm young
We were born the same day	We (26) born the (27) day
Just been out (11) fun	Just been out having fun
Now it don't mean a thing to me or no one	Now it don't mean a thing to me or no one
I will live my (12) when my day comes	I will live my life when my day comes
You sat me down on the kitchen floor	Oh no I wanna kill but I'm young
So drunk you wrote on the wall	We were (28) the same day
You took your (13) off and looked at me	Just been out having fun
You can't love what you can't see	Now it don't mean a thing to me or no one
And nothing (14) stays the (15)	I will live my life when my day comes
Why should we (16)	
about acting our age	
I'll never tell you what to do
