

Fill in the gaps

I used to (1) up every night,		
Bad dreams and my chest tight		
You tell your (2) on the telephone		
It's not them what make you feel alone		
And nothing ever stays the same		
Why should we worry		
about acting our age		
I wanna live under my own rules		
Do what I want without answering to you		
Oh no I wanna kill but I'm young		
We were (3) the same day		
Just been out having fun		
Now it don't mean a thing to me or no one		
I will live my life when my day comes		
You sat me down on the kitchen floor		
So drunk you wrote on the wall		
You took your dress off and looked at me		
You can't love what you can't see		
And nothing ever stays the same		
Why should we worry		
about acting our age		
I'll never tell you what to do		

It's just bad luck baby following you		
Oh no I wanna kill but I'm young		
We were born the same day		
Just been out having fun		
Now it don't mean a (4)	to me or no one	
I will live life my life when my day comes		
Oh no I just won't leave you like this		
You know I just can't leave you like this		
You know I just won't leave you like this		
You know I just can't leave it		
Oh no I wanna (5) but I'n	n young	
We were born the (6) da	у	
Just been out having fun		
Now it don't mean a (7)	_ to me or no one	
I will live my life when my day comes

Ne were (9) the same day		
lust been out having fun		
Now it don't mean a thing to me or no one		
will live my (10) when m	y day comes
