

## Fill in the gaps

## The One That Got Away by Katy Perry

	In another life
Summer after high (1) when we first met	I (13) you stay
We make-out in your Mustang to Radiohead	So I don't have to say
And on my 18th Birthday	You were the one that got away
We got matching tattoos	the one that got away
Used to steal your parents' liquor	The one
And (2) to the roof	The one
Talk (3) our future	The one
like we had a clue	The one that got away
Never planned that one day	All this money can't buy me a (15) machine (No)
I'd be losing you	Can't replace you with a million rings (No)
In another life	I (16) told you what you meant to me
I would be your girl	(Whoa)
We (4) all our promises	Cause now i pay the price
Be us against the world	In another life
In (5) life	I (17) be your girl
I (6) you stay	We keep all our promises
So I don't have to say	Be us against the world
You were the one that got away	In another life
The one (8) got away	I would (18) you stay
I was June and you (9) my Johnny Cash	So I don't (19) to say
Never one without the other We made a pact	You were the one (20) got away
Sometimes when I miss you	The one that got away
I put (10) records on	The one
Someone said you had (11) tattoo removed	The one
Saw you downtown singing the Blues	The one
It's time to face the music	In another life
I'm no longer your muse	I would make you stay
But in another life	So I don't have to say
I would be your girl	You (21) the one that got away
We (12) all our promises	The one (22) got away
Be us against the world
