The One That Got Away by Katy Perry

	In another life
Summer after high school when we first met	I would make you stay
We make-out in (1) Mustang to Radiohead	So I don't have to say
And on my 18th Birthday	You were the one (7) got away
We got matching tattoos	the one that got away
Used to steal your parents' liquor	The one
And (2) to the roof	The one
Talk about our future	The one
like we had a clue	The one that got away
Never planned that one day	All (8) money can't buy me a time machine (No)
I'd be losing you	Can't replace you with a million rings (No)
In another life	I shoulda (9) you what you meant to me (Whoa)
I (3) be your girl	Cause now i pay the price
We keep all our promises	In another life
Be us against the world	I would be your girl
In another life	We keep all our promises
I would make you stay	Be us against the world
So I don't have to say	In another life
You were the one that got away	I would make you stay
The one that got away	So I don't have to say
I was (4) and you were my Johnny Cash	You were the one that got away
Never one without the other We made a pact	The one that got away
Sometimes when I miss you	The one
I put those records on	The one
Someone said you had your tattoo removed	The one
Saw you downtown singing the Blues	In another life
It's time to (5) the music	I would (10) you stay
I'm no longer your muse	So I don't have to say
But in another life	You were the one that got away
I would be your girl	The one that got away
We keep all our promises
