

Fill in the gaps

vve (1) the line	Screams like an angel for (16) love
Who pushed you over	(17) she makes you (18) h
It doesn't (2) to you	(19) above
It (3) to me	And you need her like a drug
We're cut adrift	Oh, love, you say in love
We're still floating	there are no rules
I'm only (4) on	Oh, love, sweetheart
To (5) you go down	You're so cruel
My love	She wears my love like a see-through dress
I disappeared in you	Her lips say one thing
You disappeared from me	Her (20) something else
I (6) you everything you ever wanted	Oh love, like a screaming flower
It wasn't (7) you wanted	Love, dying (21) hour
The men who love you	You don't know if it's fear or desire
You (8) the most	Danger the drug that takes you higher
They pass (9) you (10) a ghost	(22) in heaven, fingers in the mire
(11) (12) for you but	Her heart is racing, you can't keep up
Your (13) is in the air	The (23) is bleeding (24) a cut
Baby, you're nowhere	Between the horses of love and lust
Oh, love, you say in love	We are trampled underfoot
there are no rules	Oh, love, you say in love
Oh, love, sweetheart	there are no rules
You're so cruel	Oh, love, sweetheart
(14) is a tender trap	You're so cruel
It gets you every time	Oh, love, to stay with you I'd be a fool
You put your lips to her lips	Oh, sweetheart, you're so cruel.
To stop the lie	
Her (15) is pale like God's only dove
