

## Fill in the gaps

| I saw a glimpse, a shimmer, a shadow         |
|--|
| Of something I had once but since lost       |
| And now I, I've got a feeling that I'm not   |
| (1) anymore                                  |
| Don't even tell me where we are going        |
| Hands over my eyes, (2) over my eyes         |
| Don't even tell me where we are going        |
| Just walk, just walk, by my side             |
| It starts with a glimpse a shimmer, a shadow |
| Of something, I had once but (3) lost        |
| And now I, I've got a (4) that I'm not       |
| complete anymore                             |
| The salt in my eyes, as I clear the border   |
| Imaginary lines                              |
| Shatter and shimmer                          |
| I get to you, to ask you a question          |
| I get to you, to find out for certain        |
| Are you fixin'?                              |
| Don't even tell me (5) we are going          |
| Hands over my eyes, hands (6) my eyes        |
| Don't even tell me where we are going        |

| Just walk, just walk, by my side                       |
|--|
| Don't even tell me (7) we are going                    |
| Hands over my eyes, (8) over my eyes                   |
| Don't even tell me where we are going                  |
| Just walk, just walk, by my side                       |
| Just walk, by my side                                  |
| Are you fixin', to come with me?                       |
| Are you fixin', to fix me, fix me?                     |
| Don't even tell me (9) we are going                    |
| Hands over my eyes, hands over my eyes                 |
| Don't even tell me where we are going                  |
| Just walk, just walk, by my side                       |
| Don't (10) tell me where we are going                  |
| Hands over my eyes, hands over my eyes                 |
| Don't even tell me where we are going                  |
| Just walk, just walk, just walk, just walk, by my side |
| Just walk, by my side                                  |
