## Somebody I used to know by Walk off the Earth

Now and then I think of when we were together	But I don't wanna live that way
Like when you said	Reading into (5) word you say
you felt so happy you could die	You said that you could let it go
I told myself that you were right for me	And I wouldn't catch you hung up on somebody
But felt so lonely in your company	that you used to know
But that was love and it's an ache I still remember	But you didn't have to cut me off
You can get addicted to a certain kind of sadness	Make out like it never happened
Like resignation to the end	And that we were nothing
Always the end	And I don't (6) need your love
So when we found that we could not make sense	But you treat me like a stranger
Well you said that we would still be friends	And that feels so rough
But I'll admit that I was glad that it was over	No you didn't have to stoop so low
But you didn't have to cut me off	Have your friends collect your records
Make out like it never happened	And then change your number
And that we were nothing	I guess that I don't need that though
And I don't even need your love	Now you're (7) somebody that I (8) to
But you treat me like a stranger	know
And that feels so rough	Somebody
No you didn't have to stoop so low	I used to know
Have your friends collect your records	Now you're just (9) that I used to know
And then change your number	Somebody
I guess that I don't need (1) though	I (10) to know
Now you're just somebody (2) I used to know	Now you're just somebody that I used to know
Now you're just somebody that I used to know	I used to know
Now you're (3) somebody that I (4) to	That I used to know
know	I used to know
Now and then I think of all the times you screwed me over	Somebody
