

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I think of when we were together	But I don't wanna live (16) way
Like when you said	Reading (17) (18) word you say
you (1) so happy you (2) die	You said that you could let it go
I told myself that you were right for me	And I wouldn't (19) you hung up on somebody
But felt so lonely in (3) company	that you used to know
But that was love and it's an (4) I still remember	But you didn't have to cut me off
You can get addicted to a certain (5) of sadness	Make out like it never happened
Like (6) to the end	And (20) we were nothing
Always the end	And I don't even (21) your love
So when we found that we (7) not make sense	But you treat me like a stranger
Well you said that we would still be friends	And (22) feels so rough
But I'll admit that I was glad that it was over	No you didn't have to stoop so low
But you didn't (8) to cut me off	Have (23) friends collect (24) records
Make out (9) it never happened	And then change your number
And that we were nothing	I guess that I don't need that though
And I don't even need your love	Now you're just somebody that I used to know
But you treat me like a stranger	Somebody
And that feels so rough	I used to know
No you didn't have to stoop so low	Now you're just somebody that I used to know
Have your friends (10) (11)	Somebody
records	I used to know
And then change your number	Now you're just somebody that I used to know
I (12) that I don't need that though	I used to know
Now you're just somebody that I (13) to know	(25) I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	Somebody
Now and then I (14) of all the times you	
screwed me over	
But had me believing	
it was always (15) that I'd done
