Last mile of the way by Westlife

Fill in the gaps

I want you with me
When the ground starts to shake
I (1) you with me
Each day when I wake
And I hope you forgive me
All my mistakes
And yes, I'll be (2) you
To the last (3) of the way
Like day turns to night
Stone (4) to dust
Like life becomes memories
Steel (5) rust
Pain's (6) a lesson learned
We'll look back one day
We'll look back one day And (7) take you (8) me
And (7) take you (8) me
And (7) take you (8) me To the last mile of the way
And (7) take you (8) me To the last mile of the way To the (9) mile of the way
And (7) take you (8) me To the last mile of the way To the (9) mile of the way To the last mile of the way
And (7) take you (8) me To the last mile of the way To the (9) mile of the way To the last mile of the way It's time to move on now
And (7) take you (8) me To the last mile of the way To the (9) mile of the way To the last mile of the way It's time to move on now So don't be afraid
And (7) take you (8) me To the last mile of the way To the (9) mile of the way To the last mile of the way It's time to move on now So don't be afraid We should remember
And (7) take you (8) me To the last mile of the way To the (9) mile of the way To the last mile of the way It's time to move on now So don't be afraid We should remember The roles that we played
And (7) take you (8) me To the last mile of the way To the (9) mile of the way It's time to move on now So don't be afraid We should remember The roles that we played Whether the future
And (7) take you (8) me To the last mile of the way To the (9) mile of the way It's time to move on now So don't be afraid We should remember The roles that we played Whether the future Has dark or (10) days
