## Last mile of the way by Westlife

## Fill in the gaps

I want you with me
When the ground starts to shake
I want you (1) me
Each day when I wake
And I hope you forgive me
All my mistakes
And yes, I'll be with you
To the last (2) of the way
Like day turns to night
(3) turns to dust
(4) life (5) memories
Steel becomes rust
Pain's just a lesson learned
(6) (7) book one dow
(6) (7) back one day
And (8) take you with me
And (8) take you with me
And (8) take you with me  To the last mile of the way
And (8) take you with me  To the last mile of the way  To the last mile of the way
And (8) take you with me  To the last mile of the way  To the last mile of the way
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid  We should remember
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid  We should remember  The roles (10) we played
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid  We should remember  The roles (10) we played  Whether the future
And (8) take you with me  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid  We should remember  The roles (10) we played  Whether the future  Has dark or bright days
And (8) take you with me  To the last mile of the way  To the last mile of the way  To the last mile of the way  It's time to (9) on now  So don't be afraid  We should remember  The roles (10) we played  Whether the future  Has dark or bright days  I will still love you

To the last mile of the way

- 1. with
