

Fill in the gaps

Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because with the morning I can open my eyes
I want this to be my awakening
I give this one to you an anthem full of truth
I tell you now an epic tale
Of what you've put me through
And even though you don't deserve one of your own
A melody, a song about the life that you let go
I can't believe that
I still care enough to write
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because with the morning I can open my eyes
I (1) (2) to be my awakening
Yes I miss you still
And probably always (3)
I'm living with a busted heart that I will have until
I find the (4)
I know it's somewhere in my bones
To pull the curtain up again and get on with this (5)

At least you (6) that
I still care enough to write
Bottoms up tonight I (7) to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
(8) with the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
No rest for the wicked they say
(9) me if I try to change
No rest for the wicked they say
Forgive me if I try to change
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
(10) with the morning I can open my eyes
And maybe I will see a different destiny
Like knowing you at all was only a bad dream
I want this to be my awakening
