

## Fill in the gaps

I want to be rich and I want lots of money	I'll look at the sun and I'll look in the mirror
I (1) care (2) clever I don't	I'm on the right track yeah we're on to a winner
care about funny	Chorus
I want loads of clothes and fuckloads of diamonds	I don't know what's right and what's real anymore
I (3) people die (4) they are trying	I don't know how I'm meant to feel anymore
to find them	When do you think it will all become clear?
I'll take my clothes off and it (5) be shameless	'Cuz I'm being taken (18) by The Fear
'Cuz everyone knows (6) how you get	[Bridge]
famous	Forget about guns and forget ammunition
I'll look at the sun and (7) look in the mirror	Cause I'm killing them all on my own little mission
I'm on the right track yeah I'm on to a winner	Now (19) not a saint but (20) not a
[Chorus]	sinner
I don't (8) (9) right and what's	Now everything's (21) as long as I'm
real anymore	(22) thinner
I don't (10) how I'm meant to feel anymore	[Chorus]
When do you (11) it will all become clear?	I don't know what's (23) and what's real
'Cuz (12) being taken over by The Fear	anymore
Life's (13) film stars and less about mothers	I don't know how I'm meant to feel anymore
It's all about (14) cars (15) each	When do you think it will all become clear?
other	'Cause I'm being taken (24) by fear
But it doesn't matter cause I'm (16) plastic	
and that's what makes my life so fucking fantastic	
And I am a weapon of massive consumption	
and its not my fault it's how (17) programmed to	
function
