It was the (1)	_ night of the year	And so I answered
Snow covered street lamps and Belvedere		(6) only just one reply
The moon was just a sliver		'Til the casket drops
The light was fading		'Til my dying day
The war was on its way		'Til my heartbeat stops
And we were waiting		'Til my legs just break
You asked me, how long I'd stay by your side		Til the casket drops
And so I answered		So lay your burden (7) baby
With only just one reply		And (8) me out the door
Til the casket drops		We can't escape this ricochet
Til my (2) day		I'm ready for this war
Til my heartbeat stops		(bis)
Til my (3) just break		'Til the casket drops
Til the casket drops		'Til my dying day
A house (4) out of g	glass, will surely shatter	'Til my heartbeat stops
So we built a fortress, of red bu	ricks and ladders	'Til my legs (9) break
The ground, it started shaking		(bis)
The bombs are falling		'Til the casket drops
We could've walked away		
We had a warning		
And you asked me, how (5) I'd stay by your side
