I been ignoring this big lump in my throat	What now?
I shouldn't be crying, tears were for the weak	There's no one to call
The days I'm stronger, know what, so I say	'Cause I'm just (5) (6)
That's (1) missing	them all
Whatever it is, it feels (2) it's laughing at me	The more I swear I'm happy
Through the glass of a two-sided mirror	The more that I'm feeling alone
Whatever it is	'Cause I spent every hour
It's just sitting there laughing at me	Just going through the motions
And I just (3) scream	I can't even get the (7) to come out
What now?	Dry as a bone, but I (8) wanna shout
I just can't figure it out	What now?
What now?	I just can't figure it out
I guess I'll just wait it out (wait it out)	What now?
What now?	I guess I'll just (9) it out (wait it out)
(Oh oh oh) what now?	What now?
I found the one he changed my life	Somebody tell me
But was it me that changed	What now?
And he just happened to come at the right time	I don't know where to go
I'm supposed to be in love	I don't know what to feel
But I'm not mugging	I don't know how to cry
Whatever it is	I don't know (ow, ow) why
It feels like it's laughing at me	I don't know where to go
Through the glass of a two-sided mirror	I don't know what to feel
Whatever it is	I don't know how to cry
It's just sitting there (4) at me	I don't know (ow, ow) why
And I just wanna scream	I don't know where to go
What now?	I don't know what to feel
I just can't figure it out	I don't know how to cry
What now?	I don't know (ow, ow) why
I guess I'll just wait it out (wait it out)	So (10) now?
