Fill in the gaps

Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a (13) in everyone
I know, you see	And it's all real
Somehow the (1) will change for me	I'm telling you (14) how I feel
And be so wonderful	So wake up the members of my nation
Live life, breathe air	It's your time to be
I know somehow we're gonna get there	There's no chance (15) you take one
And feel so wonderful	And the time to see
I (2) make you change you mind	The brighter (16) of (17) situation
These things happen all the time	Some things are (18) to be
And it's all real	So give (19) best and (20) the
I'm telling you just how I feel so	(21) to me
Wake up the (3) of my nation	Leave it all to me (leave it all to me)
It's your time to be	So make it right (maybe you're right)
There's no chance unless you (4) one	And see it (22) (you gotta)
And it's time to see	You know you won't be free until you
The brighter (5) of (6) situation	Wake up the members of my nation
Some (7) are (8) to be	It's your time to be
So (9) your best and leave the rest to me	There's no chance unless you take one
I know	And the time to see
It's time	The (23) side of (24)
To raise the (10) that draws the line	situation
And be so wonderful	Some (25) are meant to be
Golden sunshine	So give it your best and leave the rest to me
I know somehow gonna be mine	Leave it all to me (leave it all to me)
And (11) so wonderful	Leave it all to me
Show (12) you can become	Just (26) it all to me
