Just set them up

Fill in the gaps

Nice legs, Daisy Dukes, makes a man go		Just set them up
That's the way they all come (1)	_ like	Just set them up
Low-cut, see through, shirts (2) make	ya	To knock them down
That's the way she come through like		I think I should know
'Cause I		How, to make love to something innocent
Just set them up		Without leaving my fingerprints out
Just set them up		Now
Just set them up		L-O-V-E is just another word
To knock them down		I never learned to pronounce
'Cause I		How
Just set them up		Do I say I'm sorry
Just set them up		'Cause the word is never gonna come out
Just set them up		Now
To knock them down		L-O-V-E is just another word
I think I should know		I never learned to pronounce
How, to make love to something innocent		You know that (4) of ****
Without leaving my (3)	out	Just don't (5) on me
Now		Whistling and trying to flirt (6) me
L-O-V-E is just another word		Don't take it personally
I never learned to pronounce		'Cause we were (7) in love
How		It doesn't really matter
Do I say I'm sorry		Who you say you are
'Cause the word is never gonna come out		Sing it out the windows, of your car
Now		Find another girl across the bar
L-O-V-E is just another word		'Cause L-O-V-E is not what this was
I never learned to pronounce		I think I should know
Tight jeans, double D's making me go		How, to make love to something innocent
All the people on the street know		Without leaving my fingerprints out, now
Iced out, lit-up make the kids go		L-O-V-E is just (8) word
All the people on the street know		I never learned to pronounce
'Cause I		How, do I say I'm sorry
Just set them up		'Cause the word is never gonna come out
Just set them up		Now
Just set them up		L-O-V-E is just another word
To knock them down		I never learned to pronounce
'Cause I		

1. through

- 2. that
- 3. fingerprints
- 4. type
- 5. work
- 6. with
- 7. never
- 8. another
