

Just set them up

## Fill in the gaps

Nice legs, Daisy Dukes, makes a man go	Just set them up
That's the way they all come through like	Just set (4) up
Low-cut, see through, shirts that make ya	To knock them down
That's the way she come through like	I think I should know
'Cause I	How, to (5) love to something innocent
Just set them up	Without leaving my fingerprints out
Just set them up	Now
Just set them up	L-O-V-E is just another word
To knock them down	I (6) learned to pronounce
'Cause I	How
Just set them up	Do I say I'm sorry
Just set (1) up	'Cause the word is never gonna come out
Just set them up	Now
To knock them down	L-O-V-E is just another word
I think I should know	I never learned to pronounce
How, to make love to something innocent	You know that type of ****
Without leaving my fingerprints out	Just don't work on me
Now	Whistling and trying to flirt with me
L-O-V-E is just another word	Don't take it personally
I (2) learned to pronounce	'Cause we (7) never in love
How	It doesn't really matter
Do I say I'm sorry	Who you say you are
'Cause the word is never (3) come out	Sing it out the windows, of your car
Now	Find another girl across the bar
L-O-V-E is just another word	'Cause L-O-V-E is not what this was
I never learned to pronounce	I think I should know
Tight jeans, double D's making me go	How, to (8) love to something innocent
All the people on the street know	Without leaving my fingerprints out, now
Iced out, lit-up make the kids go	L-O-V-E is just another word
All the people on the street know	I never learned to pronounce
'Cause I	How, do I say I'm sorry
Just set them up	'Cause the word is (9) gonna come out
Just set them up	Now
Just set them up	L-O-V-E is just another word
To knock them down	I never learned to pronounce
'Cause I	

## Fill in the gaps
