

We'll work it out some way

## Fill in the gaps

## It's Hard to Say Goodbye by Celine Dion & Paul Anka

| There's something in your eyes that's far too revealing | I'll (12) try to (13) you back                        |
|---|---|
| Why must it be like this a love without feeling         | I wouldn't try controlling you                        |
| Something wrong with you I know                         | If it's what you want                                 |
| see it in (1) eyes                                      | It's what I want                                      |
| Believe me when I say                                   | I want what's best for you                            |
| t's gonna be okay                                       | And if there's (14) else (15)                         |
| told you from the start I won't be demanding            | you're looking for                                    |
| won't be demanding                                      | I'll be the first to help you try                     |
| f you have a change of heart                            | Believe me (16) I say                                 |
| 'Il be understanding                                    | It's hard to say goodbye                              |
| 'Il be understanding                                    | Don't say goodbye                                     |
| When love (2) a (3) heart                               | If it's what you want                                 |
| And dreams (4) to die                                   | It's what I want                                      |
| Believe me when I say                                   | I want what's (17) for you                            |
| Ne'll work it out some way                              | I'll (18) try to hold you back                        |
| 'll never try to (5) you back                           | I wouldn't try controlling you                        |
| wouldn't try (6) you                                    | If it's what you want                                 |
| f it's what you want                                    | It's what I want                                      |
| t's what I want   | I want what's best for you                            |
| want what's best for you                                | And if there's something else that you're looking for |
| And if there's something (7) (8) you're                 | I'll be the first to help you try                     |
| (9) for   | Believe me when I say                                 |
| 'Il be the first to help you try                        | It's (19) to say goodbye                              |
| Believe me when I say                                   | I'll never try to hold you back                       |
| t's hard to say goodbye                                 | I wouldn't try (20) you                               |
| We've (10) that loving touch                            | If it's (21) you want                                 |
| We used to feel so much                                 | It's what I want                                      |
| try to hide the truth that's in my eyes                 | I want what's (22) for you                            |
| The love without feeling                                | And if there's (23) else that you're                  |
| But (11) I feel we're not in love                       | looking for   |
| know I'm losing you                                     | (I'll be)   |
| Believe me when I say                                   |   |
