

## Fill in the gaps

### It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in (1)\_\_\_\_\_ eyes that's far too revealing

Why (2)\_\_\_\_\_ it be like this a (3)\_\_\_\_\_ without feeling

Something wrong with you I know

I see it in your eyes

Believe me when I say

It's gonna be okay

I told you from the start I won't be demanding

I won't be demanding

If you have a change of heart

I'll be understanding

I'll be understanding

When love becomes a broken heart

And (4)\_\_\_\_\_ begin to die

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

We've lost that loving touch

We used to feel so much

I try to hide the truth that's in my eyes

The (5)\_\_\_\_\_ without feeling

But when I feel we're not in love

I know I'm losing you

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's (6)\_\_\_\_\_ for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

Don't say goodbye

If it's what you want

It's what I want

I want what's (7)\_\_\_\_\_ for you

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're (8)\_\_\_\_\_

for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're (9)\_\_\_\_\_

for

(I'll be)

...

Answer

1. your
2. must
3. love
4. dreams
5. love
6. best
7. best
8. looking
9. looking
