

Fill in the gaps

If you want control	Get lost in your songs
Without any pain	Now that time is gone
How long will you suffer?	Its lost for you now
How long will you reign	Words long forgotten
You see the friend that I knew?	Forgotten somehow
Cannot be found	When you're falling
Replaced by another	I will catch you
Wearing his crown	You dont have to fall that far
Theres a (1) where I go	You can make it
Without any sound	I will be there
Only you can reach me	You were broken from the start
Only youre allowed	When you're falling
And youre so far away	I (6) catch you
Youre so far (2) here	You dont have to fall that far
Do you remember	You can make it
Our time without tears?	I will be there
When you're falling	You (7) broken from the start
I will catch you	When you're falling
You dont (3) to fall (4) far	I will catch you
You can make it	You dont have to fall (8) far
I will be there	You can make it
You were broken from the start	I will be there
When you were a child	You were (9) (10) the start
You'd dream all day long	
You'd (5) of the future
