

Fill in the gaps

Can't believe your packing your bags	Cause you (14) mine for the Summer
Trying so hard not to cry	Now we know it's (15) over
Had the best (1) and now it's the worst time	Feels like snow in September
But we (2) to say goodbye	But I always will remember
Don't promise that you're gonna write	You (16) my (17) love
Don't promise that you'll call	You (18) will be my Summer love
Just promise that you won't (3) we had it all	So please don't (19) (20) any harder
'Cause you (4) mine for the Summer	We can't (21) this any farther
Now we (5) it's nearly over	And I know
Feels like (6) in September	There's (22) that I (23)
But I always (7) remember	change, change
You (8) my Summer love	You were (24) for the Summer
You (9) will be my (10) love	Now we know it's (25) over
Wish that we could be alone now	Feels like snow in September
If we could find some place to hide	But I always will remember
Make the last time just like the (11) time	You were my (26) love
Push a button and rewind	You always will be my (27) love
Don't say the (12) that's on (13) lips	You always will be my Summer love
Don't look at me that way	You (28) always be my Summer love
Just promise you'll remember	
When the sky is grey
