

In the Milky Way

Fill in the gaps

	It's crazy
Baby you the best	What you (3) to me
'Cause you worked me out	How you do it to me
I keep building walls up	How you do it to me, to me, to me
But you tear'em down	All of them (4) boys can walk away
I'm figthing	They ain't even in the game
I don't wanna (1) it	('Cause they know that you own it)
But you know I like it	You got this swag you got this attitude (la la la)
But you know I like it, like it, like it	Wanna hear you say my name
Used to always think	(You say my name)
I was bulletproof	'Cause you got me
But you got an AK	Flying, with your love
And you're blowing through	Shining, with your love
Explosive	Riding, with your love
You don't even know it	I feel like I'm on top of the (5) (6)
I want you to know it	your love
I want you to know it, know it, know it	One hit, with your love
All of them other boys can walk away	Can't quit, with your love
They ain't even in the game	So sick but so what?
'Cause (2) know that you own it	I feel (7) I'm on top of the world with your love
You got this swag, you got this attitude	Flying, baby, I'm shining
Wanna hear you say my name	Baby, I'm riding with your love (eh eh)
'Cause you got me	One hit, baby, I can't quit baby
Flying, with your love	I'm so sick but so what (eh eh)
Shining, with your love	Flying, baby
Riding, with your love	I'm shining baby (I'm shining)
I feel like I'm on top of the world with your love	I'm riding with your love (I'm shining eh eh)
One hit with your love	One hit, baby, I can't quit baby
Can't quit with your love	I'm so (8) but so what?
So sick but so what?	I'm on top of the world
I feel like I'm on top of the world with your love	Flying with your love
Everybody wants what I got with you	Shining with your love
'Cause I'm standing on top	Riding, with your love
With a killer view	I feel like I'm on top of the world (9) your love
Inspired	(I'm on top of the world)
Feeling like a million	One hit with your love
I'm one in a million	Can't quit (10) your love
I'm one in a million, million, million	So sick but so what
I ain't even here	I feel like I'm on top of the world with your love
I'm in other space	
Like I'm Venus, you're Mars
