

Love like ours

Fill in the gaps

| Your (1) is a revolver | You light the spark in my bonfire heart |
|---|---|
| Firing bullets in the sky | People like us |
| Your love is (2) a soldier | We don't |
| Loyal till you die | Need that much |
| And I've been looking at the stars | Just some |
| For a long, long time | One that starts |
| I've been putting out fires | Starts the spark in our bonfire hearts |
| All my life | Our bonfire hearts |
| If everybody wants a flame | Our bonfire hearts |
| They don't (3) to get burnt | Our bonfire hearts |
| And today is our turn | You light the spark |
| Days like these | People like us |
| Lead to | We don't |
| Nights (4) this | Need that much |
| Lead to | Just some |
| Love like ours | One that starts |
| You light the spark in my bonfire heart | Starts the spark in our bonfire hearts |
| People like us | Days like these |
| We don't | Lead to |
| Need that much | Nights like this |
| Just some | Lead to |
| One that starts | Love like ours |
| Starts the spark in our (5) hearts | You light the spark in my (9) heart |
| This world is getting colder | (One, two, three, four) |
| Strangers passing by | People like us |
| No one offers you a shoulder | We don't |
| No one looks you in the eye | Need that much |
| But I've been looking at you | Just some |
| For a long, (6) time | One that starts |
| Just (7) to break through | Starts the spark in our bonfire hearts |
| Trying to make you mine | Our bonfire hearts |
| Everybody wants a flame | People like us |
| They don't (8) to get burnt | We don't |
| Well today is our turn | Need that much |
| Days like these | Just some |
