

Love like ours

## Fill in the gaps

Your mouth is a revolver	You (6) the spark in my bonfire heart
Firing bullets in the sky	People like us
Your love is like a soldier	We don't
Loyal till you die	Need that much
And I've been (1) at the stars	Just some
For a long, long time	One that starts
I've been (2) out fires	Starts the spark in our bonfire hearts
All my life	Our bonfire hearts
If everybody wants a flame	Our bonfire hearts
They don't want to get burnt	Our bonfire hearts
And today is our turn	You light the spark
Days like these	People like us
Lead to	We don't
Nights like this	Need (7) much
Lead to	Just some
Love like ours	One that starts
You light the spark in my (3) heart	Starts the spark in our bonfire hearts
People like us	Days like these
We don't	Lead to
Need (4) much	Nights like this
Just some	Lead to
One that starts	Love like ours
Starts the spark in our (5) hearts	You light the spark in my bonfire heart
This world is getting colder	(One, two, three, four)
Strangers passing by	People like us
No one offers you a shoulder	We don't
No one looks you in the eye	Need that much
But I've been looking at you	Just some
For a long, long time	One that starts
Just trying to break through	Starts the spark in our bonfire hearts
Trying to make you mine	Our bonfire hearts
Everybody wants a flame	People like us
They don't want to get burnt	We don't
Well today is our turn	Need (8) much
Days like these	Just some
Lead to	One that starts
Nights like this	Starts the (9) in our bonfire hearts
