Fill in the gaps

Let Me Go by Avril Lavigne & Chad Kroeger

Love that once hung on the wall		i ve said goodbye
Used to mean something, but now it means nothing		Set it all on fire
The (1)	are gone in the hall	Gotta let it go, just let it go
But I still remember, the pain of december		I let it go, and now I know
(Oh) there isn't one thing left you could say		A brand new life, this tale is rude
I'm sorry it's too late		Where it's right, you always know
I'm breaking free from these memories		So this time, I won't let go
Gotta let it go, just let it go		There's only one thing (6) here to say
I've said goodbye		Love's (7) too late
Set it all on fire		I've broken (8) from these memories
Gotta let it go, just let it go		I've let it go, I've let it go
		And two goodbyes, lend you this new life
You came back to find I was gone		Don't let me go, don't let me go
And that place is empty		
Like the (2)	that was left in me	Don't let me go, don't let me go, don't let me go
Like we were nothing at all		Don't let me go
It's not (3)	you meant to me	Won't let you go, don't let me go
Thought we were meant to be		Won't let you go, don't let me go
(Oh) (4)	isn't one thing left you could say	Won't let you go, don't let me go
I'm sorry it's too late		Won't let you go, don't let me go
I'm breaking free	from (5) memories	
Gotta let it go, jus	t let it go
