

Fill in the gaps

I was walking home from school	Just to say I understand
On a cold (1) day	And ain't it kind of funny
Took a shortcut through the woods	At the dark end of the road
And I (2) my way	Someone (17) the way
It was (3) late	With just a (18) ray of hope
And I was scared and alone	(Oh) I believe there are angels among us
But then a precious baby boy	Sent down to us from (19) up above
Took my (4) and lend me home	They (20) to you and me
Mama couldn't see him	In our darkest hours
(Oh) but he was standing there	To show us how to live
And I knew in my heart	To teach us how to give
He was the answer to my prayers	To guide us (21) the light of love
(Oh) I believe there are (5) (6)	They (22) so many faces
us	Show up in the strangest places
Sent (7) to us from somewhere up above	To (23) us (24) their mercy
They (8) to you and me	In our time of need
In our darkest hours	(Oh) I believe there are (25) among us
To (9) us how to live	Sent down to us from (26) up above
To teach us how to give	They come to you and me
To guide us with the (10) of love	In our darkest hours
When (11) (12) troubled times	To show us how to live
And had me (13) on my knees	To teach us how to give
There's (14) been someone	To guide us with the light of love
To (15) along and comfort me	
A kind word (16) a stranger	
To lend a helping hand	
A phone call from a friend	

1. winter
