### Hold On To The Nights by Richard Marx

Just (1)_____ I believed	I don't (6)_____ how
I couldn't ever (2)_____ for more	To stop feeling this way...
This ever changing world	Hold on to the nights
Pushes me (3)_____ another door	Hold on to the memories
I saw you smile	If only I could give you more
And my mind could not erase	Well, I think I've been true
The beauty of your face	To everybody else but me
Just for a while	And the way I (7)_____ about you
Won't you let me shelter you (ooh)	Makes my (8)_____ long to be free
Hold on to the nights	Every time I look into your eyes
Hold on to the memories	I'm helplessly aware
I wish that I (4)_____ (5)_____ you something	That the someone I've (9)_____ searching
more	For is right there...
That I could be yours	Hold on to the nights
How do we explain	Hold on to the memories
Something that took us by surprise?	I'm wishing I could (10)_____ you more...
Promises in vain	(Ooh)
Love that is real, but in disguise	Hold on to the nights
What happens now?	
Do we break another rule?	
Let our lovers play the fool
