

Fill in the gaps

Hold On To The Nights by Richard Marx

Just (1) I believed	I don't (13) how
couldn't (2) want for more	To (14) feeling this way
This (3) changing world	Hold on to the nights
Pushes me through another door	Hold on to the memories
saw you smile	If only I could give you more
And my mind (4) not erase	Well, I think I've been true
The (5) of your face	To (15) but me
Just for a while	And the way I (17) (18) you
Non't you let me shelter you (ooh)	Makes my heart long to be free
Hold on to the nights	Every time I look into your eyes
Hold on to the memories	I'm (19) aware
(6) that I could give you something more	That the (20) I've (21) searching
That I could be yours	For is (22) there
How do we explain	Hold on to the nights
Something (7) took us by surprise?	Hold on to the memories
Promises in vain	I'm wishing I could give you more
_ove (8) is real, but in disguise	(Ooh)
What (9) now?	Hold on to the nights
Do we (10) another rule?	
ot our (11) (12) the feet
