

Hold (5)_____ and we will

Fill in the gaps

(Oh) Misty eye of the mountain below		Watch the flames burn auburn on
Keep (1)	watch of my brothers' souls	The mountain side
And should the sky be filled with		Desolation comes upon the sky
Fire and smoke		Now I see fire
Keep watching over Durin's sons		Inside the mountain
If (2) is to end in fire		I see fire
Then we (3) all burn together		Burning the trees
Watch the flames climb high		And I see fire
Into the night		Hollowing souls
Calling out father (oh)		I see fire
Stand by and we will		Blood in the breeze
Watch the flames burn (4) on		And I hope that you remember me
The mountain side		And if the night is burning
High		I will cover my eyes
And if we should die tonight		For if the dark returns then my
We should all die together		Brothers (6) die
Raise a glass of wine		And as the sky is falling down it
For the last time		Crashed into this lonely (7) and
Calling out father (oh)		With that shadow upon the ground I
Prepare as we will		Hear my (8) screaming out
Watch the flames burn auburn on		Now I see fire
The mountain side		Inside the mountains
Desolation comes upon the sky		I see fire
Now I see fire		Burning the trees
Inside the mountain		I see fire
I see fire		Hollowing souls
Burning the trees		I see fire
And I see fire		Blood in the breeze
Hollowing soul		I see fire
I see fire		(Oh) You know I saw a (9) burning out (fire)
Blood in the breeze		And I see fire
And I hope that you remember me		Feel the heat upon my skin (fire)
(Oh) Should my people fall in		And I see fire
Surely I'll do the same		(Uh-uuh-uh-uuh) (Fire)
Confined in mountain halls we		And I see fire burn auburn on the mountain side
Got too close to the flame		
Calling out father (oh)
