(Oh) Misty eye of the mountain below		Watch the (16)	burn auburn on
Keep careful (1)	of my brothers' souls	The mountain side	
And (2)	the sky be filled with	Desolation comes (17)	_ the sky
Fire and smoke		Now I see fire	
Keep watching over Durin's sons		Inside the mountain	
If this is to end in fire		I see fire	
Then we should all burn together		Burning the trees	
Watch the flames climb high		And I see fire	
Into the night		Hollowing souls	
Calling out father (oh)		I see fire	
Stand by and we will		Blood in the breeze	
Watch the (3)	burn auburn on	And I hope that you remember i	me
The (4)	side	And if the (18) is b	ourning
High		I will cover my eyes	
And if we should die to	night	For if the (19)	(20)
We (5)	all die together	(21) my	
Raise a (6)	_ of wine	Brothers will die	
For the last time		And as the sky is (22)	down it
Calling out (7)	(oh)	Crashed into this lonely town ar	nd
Prepare as we will		With that (23) u	pon the (24)
Watch the (8)	burn auburn on	Hear my people (25)	out
The (9)	side	Now I see fire	
Desolation comes (10) the sky		Inside the mountains	
Now I see fire		I see fire	
Inside the mountain		Burning the trees	
I see fire		I see fire	
Burning the trees		Hollowing souls	
And I see fire		I see fire	
Hollowing soul		Blood in the breeze	
I see fire		I see fire	
Blood in the breeze		(Oh) You know I saw a city burning out (fire)	
And I (11) that you remember me		And I see fire	
(Oh) Should my people (12) in		Feel the heat (26) my skin (fire)	
Surely I'll do the same		And I see fire	
Confined in mountain halls we		(Uh-uuh-uh-uuh) (Fire)	
Got too (13) to the flame		And I see fire burn auburn on the (27)	
Calling out (14) (oh)		side	
Hold (15) ai	nd we will
