In a World Like This by Backstreet Boys

You've got me wide open, wide open	In a time like this where love comes 'round
Now I'm yours	I, I, know we're (5) take it
You found me heartbroken, heartbroken	In a world like this (6) people fall apart
On the floor	In a time like this where nothing (7) from the
Became my salvation, salvation	heart
Through the mourn, yeah	In a world like this
You got me (1) open, wide open	I've got you
Now I'm sure	(Ah) Yeah
In a world like this where some back down	(Ah) In a world like this
I, I, know we're gonna make it	You got me (8) open, (9) open, yeah
In a time like this where love comes 'round	And now I'm free falling, free falling
I, I, know we're gonna take it	Hey, yeah, yeah
In a (2) like this where people fall apart	Yeah yeah yeah
In a time like this where nothing comes from the heart	In a world like, in a world like
In a (3) like this	'Cause I got you
I've got you	In a world like this
And now I'm free falling, free falling	In a world like this where some back down
In your eyes	I, I, know we're gonna make it
You got me still calling, still calling	In a time like this where love comes 'round
No surprise	I, I, know we're gonna take it
I never knew I could (4) 'til the	In a world like this where people fall apart
End of time, yeah	In a time like this where (10) comes from
And now I'm free falling, free falling	the heart
By your side	In a world like this
In a world like this where some back down	I've got you
