

## Fill in the gaps

## In a World Like This by Backstreet Boys

You've got me wide open, (1) open	In a time like this where love comes 'round
Now I'm yours	I, I, know we're gonna take it
You found me heartbroken, heartbroken	In a world like this (13) people fall apart
On the floor	In a time like this where (14) comes from
Became my salvation, salvation	the heart
Through the mourn, yeah	In a world like this
You got me (2) open, wide open	I've got you
Now I'm sure	(Ah) Yeah
In a world like this where some (3) down	(Ah) In a world like this
I, I, (4) we're (5) (6) it	You got me wide open, (15) open, yeah
In a time like this where love comes 'round	And now I'm (16) falling, free falling
I, I, know we're gonna (7) it	Hey, yeah, yeah
In a world like this (8) people fall apart	Yeah yeah
In a time like this where nothing comes from the heart	In a world like, in a world like
In a world like this	'Cause I got you
I've got you	In a (17) like this
And now I'm (9) falling, free falling	In a world like this where some (18) down
In your eyes	I, I, know we're (19) make it
You got me still calling, still calling	In a time like (20) where love (21)
No surprise	round
I never knew I could (10) 'til the	I, I, know we're (22) it
End of time, yeah	In a world like (24) where people fall apart
And now I'm free falling, free falling	In a (25) like (26) where nothing
By your side	(27) from the heart
In a world like this (11) back	In a world like this
down	I've got you
I, I, know we're gonna make it
