

What I can do
To test the limits

## Fill in the gaps

The snow glows white on the mountain tonight	And break through
Not a (1) to be seen	No right, no wrong
A kingdom of isolation	No rules for me
And it looks like I'm the queen	I'm free
The wind is (2) like this swirling storm	Let it go
inside	Let it go
Couldn't keep it in, (3) knows I've tried	I am one with the wind and sky
Don't let (4) in	Let it go
Don't let them see	Let it go
Be the good girl you always have to be	You'll never see me cry
Conceal, don't feel	Here I stand
Don't let them know	And here I'll stay
Well, now they know	Let the storm rage on
Let it go	My (6) flurries through the air into the ground
Let it go	My soul is spiraling in frozen fractals all around
Can't hold it back anymore	And one thought crystallizes like an icy blast
Let it go	I'm (7) going back
Let it go	The (8) is in the past
Turn away and slam the door	Let it go
I don't care	Let it go
What they're going to say	When I rise like the break of dawn
Let the storm rage on	Let it go
The cold never bothered me anyway	Let it go
It's funny how some distance	That (9) girl is gone
Makes everything seems small	Here I stand in the light of day
And the fears that once controlled me	Let the storm rage on
Can't get to me at all	The cold never bothered me anyway
It's (5) to see	

- 1. footprint
- 2. howling
- 3. heaven
- 4. them
- 5. time
- 6. power
- 7. never
- 8. past
- 9. perfect
