Bad Blood by Bastille

Fill in the gaps

We were (1) and drinking in the park
There was (2) else to go
And you said you always had my back
Oh but how were we to know
That these are the days (3) bind you together, forever
And these little things define you forever, forever
All (4) bad blood here, won't you let it dry?
It's been cold for years, won't you let it lie?
If we're (5) ever looking back
We will drive ourselves insane
As the friendship goes resentment grows
We will walk our different ways
But those are the days that bind us together, forever
And those little things define us forever, forever
All this bad blood here, won't you let it dry?
It's (6) cold for years, won't you let it lie?
And I don't wanna hear about the bad blood anymore
I don't wanna hear you talk (7) it anymore
I don't wanna (8) about the bad blood anymore
I don't wanna hear you talk about it anymore
All this bad blood here, won't you let it dry?
It's been cold for years, won't you let it lie?
