I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every waking hour
And every (1)_____ night
I love my computer
For all you give to me:
Predictable errors and no identity
And it's never been quite so easy
I've never been quite so happy
All I need to do is (2)_____ on you
And we'll be joined
In the most soul-less way
And we'll never ruin each other's day
'cuz when I'm through I (3)_____ click
And you just go away
I (4)_____ my computer
You're always in the mood
I get so turned on

When I turn on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's (5)_____ been quite so easy
I've never been (6)_____ so happy
The world (7)_____ is so big
But it's safe in my domain
Because to you
I'm just a number
And a (8)_____ (9)_____ name
All I need to do is click on you
And we'll be together for eternity
And no one is ever gonna take my love
From me (10)_____ I've got security
Her password and a key
