

Fill in the gaps

I saw you walk down the street	And I'll be (12) baby
With some (1) girl	All I'm (13) you for when you (14)
Always thought that I was the (2) one in your world	out the door
Baby can you tell me so	Is to be my baby, baby
Out of sight out of mind	'Cause you knew (15) the start
Ain't what love ought to be	That you were working my heart
And I hoped all the time that you'd be (3)	Won't you be my baby
to me	l (16) our (17)
faithful to me	(18) (19) night
All I'm asking you for when you walk out the door	Sweet (20) (21) and
Is to be my baby, baby	floated through our minds
I (4) want to be sure	Never (22) this way before
That forever and more	We (23) riding so high on love and understanding
You would be my baby	So why go wasting (24) (25)
Love is just like a (5) it has to	when you have got such a find
grow	That is everlasting
And when you are (7) I'm even loving you more	All I'm asking you for when you walk out the door
I just (8) to let you know	Is to me my baby, baby
One on one is the way and	I just (26) to be sure
That's the way it (9) be	That forever and more
So if you're not gonna stay	You would be my baby
Then don't be (10) with me	All I'm (27) you for when you walk out the
You can set me free	door
All I'm asking you for when you walk out the door	Is to be my baby, baby
Is to be my baby, baby	Because all this love is for you
Because all this love is for you	And you (28) I'm true
And you know (11) I'm true	And I'll be your baby
	And I want you to love me baby
