

## Fill in the gaps

Party girls don't get hurt	1, 2, 3, 1, 2, 3, drink
Can't feel anything, when will I learn	1, 2, 3, 1, 2, 3, drink
I push it down, (1) it down	Throw 'em (5) 'til I lose count
I'm the one "for a good time call"	I'm gonna swing from the chandelier, from the chandelier
Phone's blowin' up, ringin' my doorbell	I'm (6) live like tomorrow doesn't exist
I feel the love, feel the love	Like it doesn't exist
1, 2, 3, 1, 2, 3, drink	I'm gonna fly (7) a bird through the night, feel my
1, 2, 3, 1, 2, 3, drink	tears as they dry
1, 2, 3, 1, 2, 3, drink	I'm (8) (9) from the chandelier,
Throw 'em (2) 'til I lose count	from the chandelier
I'm gonna swing from the chandelier, from the chandelier	But I'm holding on for dear life, won't look down, won't open
I'm gonna live like tomorrow doesn't exist	my eyes
Like it doesn't exist	Keep my glass full until morning light, 'cause I'm just holding
I'm gonna fly like a bird through the night, feel my tears as	on for tonight
they dry	Help me, I'm holding on for dear life, won't look down, won't
I'm gonna swing from the chandelier, from the chandelier	open my eyes
But I'm holding on for dear life, won't look down, won't open	Keep my glass full (10) morning light, 'cause I'm
my eyes	just holding on for tonight
Keep my glass full until morning light, 'cause I'm just	On for tonight
(3) on for tonight	On for tonight
Help me, I'm (4) on for dear life, won't look	'Cause I'm just holding on for tonight
down, won't open my eyes	Oh I'm just holding on for tonight
Keep my glass full until morning light, 'cause I'm just holding	On for tonight
on for tonight	On for tonight
On for tonight	'Cause I'm just holding on for tonight
Sun is up, I'm a mess	'Cause I'm just holding on for tonight
Gotta get out now, gotta run from this	Oh I'm just holding on for tonight
Here comes the shame, here comes the shame	On for tonight
1, 2, 3, 1, 2, 3, drink	On for tonight
