All Of Me by John Legend

Fill in the gaps

What would I do without your smart mouth?	You're crazy and I'm out of my mind
Drawing me in, and you kicking me out	'Cause all of me
You've got my head spinning, no kidding, I can't pin you down	Loves all of you
What's going on in that beautiful mind	Love (7) curves and all your edges
I'm on your magical mystery ride	All your perfect imperfections
And I'm so dizzy, don't know what hit me, but I'll be alright	Give your all to me
My head's under water	I'll give my all to you
But I'm breathing fine	You're my end and my beginning
You're crazy and I'm out of my mind	Even when I lose I'm winning
'Cause all of me	'Cause I give you all of me
Loves all of you	And you give me all of you, ohoh
Love (1) (2) and all your edges	Give me all of you
All your perfect imperfections	Cards on the table, we're both showing hearts
Give your all to me	Risking it all, though it's hard
I'll give my all to you	'Cause all of me
You're my end and my beginning	Loves all of you
Even when I lose I'm winning	Love your curves and all your edges
'Cause I give you all of me	All (8) perfect imperfections
And you (3) me all of you, ohoh	Give your all to me
How many times do I have to tell you	I'll give my all to you
Even when you're crying you're beautiful too	You're my end and my beginning
The (4) is beating you down, I'm around through	Even when I lose I'm winning
every mood	'Cause I give you all of me
You're my downfall, you're my muse	And you give me all of you
My (5) distraction, my rhythm and blues	I (9) you all of me
I can't stop singing, it's ringing, in my (6) for you	And you give me all of you, ohoh
My head's under water	
But I'm breathing fine	

1. your
