

I can hold my breath

Fill in the gaps

I can bite my tongue
I can stay awake for days
If that's what you want
Be your number one
I can fake a smile
I can force a laugh
I can dance and play the part
If that's what you ask
Give you all I am
I can do it
I can do it
I can do it
But I'm (1) human
And I (2) when I fall down
I'm only human
And I crash and I break down
Your words in my head, knives in my heart
You build me up and then I fall apart
'Cause I'm only human
I can turn it on
Be a good machine
I can hold the weight of worlds
If that's what you need

Be your everything
I can do it
I can do it
I'll get through it
But I'm only human
And I (3) when I fall down
I'm only human
And I crash and I break down
Your (4) in my head, knives in my heart
You build me up and then I fall apart
'Cause I'm (5) human
I'm only human
I'm (6) human
Just a (7) human
I can take so much
'Til I've had enough
'Cause I'm only human
And I (8) (9) I fall down
I'm only human
And I crash and I break down
Your words in my head, knives in my heart
You build me up and then I fall apart
'Cause I'm only human
