

Fill in the gaps

Summer by Calvin Harris

When I met you in the summer

To my heartbeat sound

We fell in love

As the leaves turned brown

And we could be together baby

As (1)_____ as (2)_____ are blue

You act so (3)_____ now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my heartbeat sound

We (4)_____ in love

As the leaves turned brown

And we could be (5)_____ baby

As (6)_____ as skies are blue

You act so innocent now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the (7)_____
