## Lovers On The Sun by David Guetta

_et's light it up, let's (1) it up	It's a feeling that's worth dying for
Until our hearts catch fire	Just close (9) eyes
Then (2) the world a burning light	And (10) your breath
That never shined so bright	Because it (11) right
Ne'll (3) a way, we'll find a way	We'll (12) it (13)
To keep the cold night	Until we make it to the other side
From breaking in (4) the walls	And let's (14) the ride
Onto the wild side	We're burning up
The hunger satisfied	We might as well be (15) on the sun
We're (5) up	We (16) as well be (17) on the
Ne might as well be lovers on the sun	sun
Ne might as well be (6) on the sun	We might as well be (18) on the sun
We might as (7) be lovers on the sun	Let's light it up, let's light it up
Ne'll never know, we'll (8) know	Until our hearts (19) fire
What stands behind the door	Then (20) the (21) a burning light
But I got a feeling	That (22) shined so bright
