

Fill in the gaps

Lovers On The Sun by David Guetta

Let's light it up, let's (1)_____ it up

Until our (2)_____ catch fire

Then show the (3)_____ a (4)_____ light

That never shined so bright

We'll find a way, we'll find a way

To keep the cold night

From breaking in over the walls

Onto the wild side

The hunger satisfied

We're burning up

We might as well be lovers on the sun

We might as well be lovers on the sun

We (5)_____ as well be lovers on the sun

We'll never know, we'll never know

What stands (6)_____ the door

But I got a feeling

It's a feeling that's worth dying for

Just close your eyes

And hold your breath

Because it feels right

We'll keep it moving

Until we make it to the other side

And let's enjoy the ride

We're burning up

We might as well be (7)_____ on the sun

We might as well be lovers on the sun

We might as (8)_____ be lovers on the sun

Let's (9)_____ it up, let's light it up

Until our hearts (10)_____ fire

Then show the world a burning light

That never shined so bright

Answer

1. light
2. hearts
3. world
